

ACTIVE REPERTOIRE

Active Repertoire is the music we can play any time, any place, without notice, without any embarrassment, and perhaps even from memory!

- ★ List your pieces on this sheet.
- ★ Update the list and add new favourites regularly.
- ★ Print off fresh copies from the Pianodao website.

Play your Active Repertoire daily at the start of your practice, and perform these pieces to others whenever you get the chance!

My Active Repertoire ...

Pieces I am working on ...

Scales and studies list ...

Music I am listening to ...

Wow! I wish that I could play ...
