

ACTIVE REPERTOIRE

Our Active Repertoire is the music we can play with confidence, fluency, and expression, for our own and others' enjoyment, and preferably from memory!

- ★ List your pieces on this sheet.
- ★ Update the list and add new favourites regularly.
- ★ Print off fresh copies from the Pianodao website.

Play your Active Repertoire daily at the start of your practice, and perform these pieces to others whenever you get the chance!
